

28-29 APRIL 2026 COPENHAGEN

SECURING RESOURCES FOR STRONGER BUSINESS

THE LEADING NORDIC FORUM ON CIRCULAR ECONOMY

LOOP Forum is a high-impact event connecting business professionals, policymakers, investors and innovators across industries. It is a leading platform for cutting-edge solutions, new knowledge, valuable connections and meaningful conversations on how businesses can navigate the growing risks and opportunities driven by increasing resource consumption and material scarcity.

- Sharing practical insights & actionable knowledge
5 stages, 200+ speakers, 60+ sessions
- Showcasing tangible solutions & circular practices on the floor
3000+ attendees, 72% private sector companies
- Fostering collaboration & dialogue across industries
180+ partners, 500+ one-on-one meetings
- Debating challenges & influencing policy making:
Government officials, ministers, EU Parliament members, municipalities

THE LARGEST GATHERING OF CIRCULAR MINDS IN THE NORDICS
